

GFS® **MASTERCLASS** GLOBAL FIDUCIARY STRATEGIST

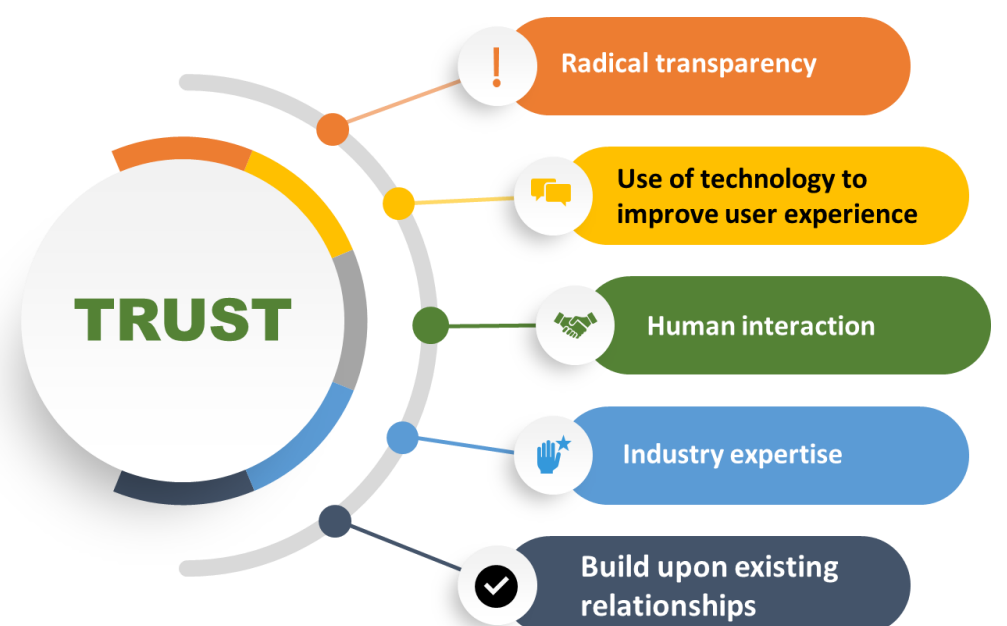

A Financial Steward is a Fiduciary serving in a critical leadership role.

Monday November 27, 2023 ** Early bird Tuition \$900 ** After Sep 15, \$1,000

This one-day program (no test) is designed for those who have completed either the GFS or AIF training programs. Content will be new material that has been developed over the last twelve months. Topics will include:

- Knowing the differences in leadership behaviors of a Fiduciary serving in a Strategic, Tactical, or Operational role.
- How to build and lead a high-performance Fiduciary team.
- The characteristics of an exemplary Financial Steward and Fiduciary.
- Enterprise leadership – When a Fiduciary also is called upon to serve in a leadership role.
- Knowing your capacity for failure may be the key to your success.

In addition, participants in the GFS Masterclass will be enrolled in the Metrics weekly subscription service and will receive a video and article each week on Behavioral Governance and fiduciary responsibility.
