2024 Summer Training in Micronesia

Investment Governance Essentials (IGE) Training

APAFS is pleased to announce that the Investment Governance Essentials Training (IGE) is coming to Micronesia. This one-day Training will provide a solid foundation in fiduciary principles and best practices for protecting assets under your care. This program is ideal for those that are new in fiduciary roles, or those practitioners wanting a refresher.

This training is also a great way to prepare for the advanced fiduciary courses being offered later this year during the Fiduciary Events Week in Manila. Early Registration rate of \$700 is a discounted rate of \$200 from our standard rate. Continental Breakfast, lunch and all course materials will be provided. Training will begin promptly at 8am- 5pm. Dress is business casual and Certificate of Completion will be provided at the conclusion of the training. The dates for the Summer Trainings are as follows:

Investment Governance Essentials

Do you serve a public fund, trust, retirement plan or foundation?

Our Investment Governance Essentials course has been designed for you

Ensuring your investment strategy is well designed and implemented is one of the most powerful actions you can take to protect the wellbeing and prosperity of your organization and people in the future.

Our IGE will help you refine and prioritize opportunities for your investment strategy, giving you clarity about the steps you need to take now to deliver value for generations to come.

The potential for tomorrow is determined by what we do today

The course focuses on 3 areas:

Stewardship
Stay in Governance and build capacity to do so.

Relevant Investment Policy
Develop and document your investment framework.

Advice Relationships
Ensure an alignment with your values.

APAFS has partnered with Fi360Pacific to bring you this course. Our team of instructors are experts in their fields and have considerable experience in investment governance.

This course can help you:

- Understand Fiduciary Standards of care
- Put your vision and values at the centre of your investment strategy
- Improve your understanding of investing and the best ways of protecting your assets for future generations
- Assess your competitive advantages and biggest investment opportunities.
- Identify gaps in governance and due diligence practices

Formats:

- Classroom in-person
- Web-based virtual
